MISS CHARLOTTE COFFEY

To the retiring members of our faculty who have dedicated their life's work to our education we, the class of Nineteen Hundred Fifty-Nine, dedicate our class book. This is a small tribute to pay to these teachers who have prepared us for future life.

We are indeed grateful to them for the kind and personal interest they have taken in us and for their conscientious instruction in helping us to appreciate our duties as future citizens of our country. It is, therefore, with deepest appreciation and gratitude that we, the class of 1959, dedicate our classbook to them.

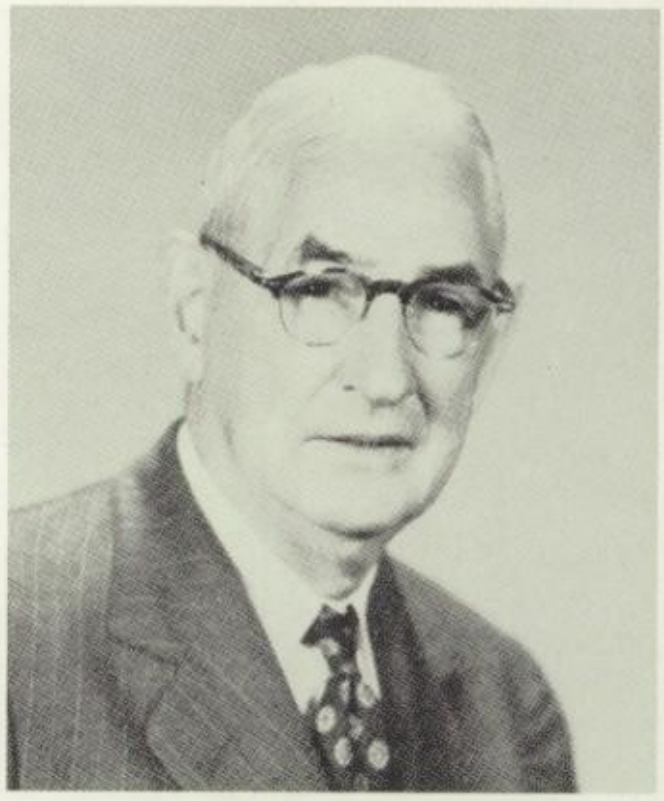
ADMINISTRATIVE

There is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide; that he must take himself for better, for worse, as his portion; that though the wide universe is full of good, no kernel of nourishing corn can come to him but through his toil bestowed on that plot of ground which is given to him to till.

Ralph Waldo Emerson



GEORGE C. HUTCHISON
Principal Emeritus

NATHAN J. DENNY
Principal

Dear friends of the Class of 1959:

In the early days of our country, relatively few students continued their education beyond the elementary level, and fewer still, went on to college. The first secondary school, with its basically classical curriculum, was vastly different from the modern high school which has a student body representative of all types of young people with varied interests and potentialities, and a curriculum that is geared to prepare them for higher education or to meet their future needs in the various walks of life they may choose to follow.

Your class has the distinction, which I am sure you will always remember with pleasure, of being the first to graduate from the new Wilbur Cross High School, an institution equipped with the finest physical facilities, an excellent teaching staff, and an educational philosophy based on the premise that all of the children of all of the people in our community are entitled to the educational opportunities it offers in preparation for living in our democratic society. So use the knowledge and skills you have acquired, so that you will in some measure contribute to the betterment of that society. May God speed you in your effort to do this.

Cordially yours,
NATHAN J. DENNY

To the Class of '59

As the time draws near to bid you a fond farewell, I extend to you my personal wishes for a future of health and happiness.

If you serve with truth and integrity throughout the years to come, success and happiness will surely be yours. Adhere to the precept of doing good and avoiding evil, and yours will be an abundant life.

May God in His wisdom guide and protect you.

To the Class of 1959:

Congratulations to each of you as you join the ranks of many who have graduated from our fine school. It has been a genuine pleasure and a real privilege to have had some part in your educational growth.

My sincere wish is that you, supported by your knowledge and experience, will face the challenges of the world with the courage and determination to be true to the ideals which you accept as your guide to successful living. Your progress will be watched with interest and satisfaction in the honor which you will bring to your alma mater.

May God grant you His richest blessings.

Cordially,

MARGUERITE G. HEALY

In bidding the Senior Class Farewell, I should like to remind you that with every right there is an obligation. While you may recite these rights and obligations every day, the way you conduct yourselves day by day and put these principles into practice will prove more strongly than words your dedication to them. You have brought and are bringing many satisfactions to us educators. Sometimes your exuberance and vitality seem almost too much to cope with, but the rewards in teaching far outweigh the discomforts or disappointments. Our reward is to see you morally sound, emotionally adjusted, and ready to play a vital role in our community.

God Bless You

Education is a companion which no misfortune can depress—no crime destroy—no enemy alienate—no despotism enslave. At home, a friend; abroad, an introduction; in solitude, a solace; and in society, an ornament. Without it, what is man?—a splendid slave, a reasoning savage. —Varle.

SENIOR CLASS OFFICERS

Classmates: At this time two important dates come to my mind: First when we were sophomores at the old Wilbur Cross High School trying hard to become acquainted with new surroundings, the second, when as Seniors, we had the experience of starting anew in a beautiful, modern school.

We have now come to the Crossroads. Some of us will further our education; others will enter business and industry; and some will be called to the armed forces. Whatever the future holds in store for us, we shall be prepared to serve the community, the nation, and the world, because of our background and the assistance we have received from our faculty.

These past three years have been the happiest of my life and will always be cherished by me. I have always held high esteem for, and will never forget, the many friends I have made at Wilbur Cross.

Till we meet again, classmates, good luck, and may God be with us all.

SENIOR CLASS ADVISOR

To you, Mr. Theodore Astarita, our class advisor, we the class of 1959, wish to express our sincere gratitude. Your earnest efforts on our behalf, coupled with your understanding and devotion, have led us on a path of mental and spiritual growth. We are indebted to you, and shall always remember you with respect and affection.

THEODORE ASTARITA, JR.

To The Class of 1959:

You have the distinct honor of being the first class to graduate from the new Wilbur Cross High School! Your future success will reflect in some measure your previous training at Wilbur Cross. I sincerely hope that we, the faculty, have provided you with the necessary essentials to lead a good and profitable life. I also hope that your parents have collaborated with us to make this task possible, providing you with a proper perspective on what life really is. To say that you will meet disappointment in life is fact not fiction, but your life will have its abundant share of success and happiness if you will follow this ladder of success —

100% — I did
90% — I will
80% — I can
70% — I think I can
60% — I might try
50% — I suppose I should
40% — What is it?
30% — I wish I could
20% — I don't know
10% — I can't
0% — I won't

SUCCESS ALWAYS!

Ted Astarita Jr

I personally thank you for the many warm associations I have made with your class. May God bless and keep you always through time and in eternity.

The Seniors are to be congratulated in that they are the first high school in the state to undertake such a noble class project.

SOPHOMORE HISTORY

Upon entering Wilbur Cross as sophomores, our first feeling was one of uncertainty and insecurity. Everything was so strange and new to us. One question was foremost in our minds, "Where's the auditorium?" Finally, after the first hectic days of finding classrooms and changing schedules, we felt as though we were part of Cross High School. All of our teachers were helpful and very patient with us.

We were introduced to many of the upper classmen at a Get-Acquainted Dance sponsored by the senior class. The school Gymnasium was gayly decorated with festive fall colors for this occasion.

A sophomore executive board was appointed to represent our class in the school government. The highlight of the football season was the Harvest Festival, the annual game between arch rivals, Cross and Hillhouse. The festival began with a pep rally which was held in the auditorium of Cross High. Amid the roaring of cheers of the students, our King, Frank Grazioso, and Queen, Mary Jane Ciampini, entered followed by their Royal Attendents. After the rally, Cross and Hillhouse played an exciting soccer game at Bowen Field. The big day finally arrived and a hugh crowd of excited spectators turned out to see the annual parade. After the thrilling first half, the band, majorettes, and cheerleaders performed beautifully. The Crossettes were smartly attired in their red and white outfits. They did a lively dance to the tune of "Standing on the Corner."

The magnificent flag formed by the Crossettes could be seen waving proudly in the breeze. Although our team lost the football game, all dark shadows were cast aside by the presentation of the Harvest Festival Trophy to our school for the colorful performance of our classmates. The day was brought to a perfect ending with the Harvest Festival Ball.

It was now our turn to sponsor a dance, the Snowball Hop. The dance proved to be a success under the able guidance of our class advisor, Mr. Asterita.

The first Fathers' Club in history was formed. The fathers helped to present the *Wilbur Cross Review* in which more than one hundred students participated. The production was a tremendous success due to the enthusiasm and support of the student body.

Before we realized it, the school year was drawing to a close. It was time for final exams, and we were tense and anxious at the thought. Once exams were over, however, we were overjoyed at the fact that we were officially juniors.

JUNIOR HISTORY

In September 1957, we returned to Wilbur Cross for our junior year.

The Harvest Festival, the first big event of the year, took place in October. Queen, Louise Colella and King, Tom Raggozino led the royal procession. Our tremendous football team, encouraged by the enthusiasm of the fans, triumphed over Hillhouse 18 to 0. Our band, majorettes, vivacious cheerleaders and Governors were a credit to our school. This memorable day ended in the splendor of the Harvest Festival Ball.

Our class sponsored the Autumn Leaves Dance in November and it was most successful.

Christmas came with its joys and anticipations. Dances and parties were attended by one and all. The thought of giving was expressed by many school organizations. The Newspaper staff and the Senior Executive Board sponsored a toy drive for the underpriviledged children. The Future Teachers' and Future Nurses' each gave a party for orphans. The Junior Red Cross also participated in spreading the Christmas spirit by decorating Christmas trees at the Veteran's Hospital in West Haven.

The time came to elect the class officers. The campaign was conducted with posters, buttons, speeches, and polite persuasion. The following officers were chosen: Michael Nasti, president; Bobby Esposito, vice-president; Patricia Egan, secretary; Janice Lorenzo, treasurer; and Rose Caparulo, Prom chairman.

After a very successful football season, both our hockey and basketball teams won district titles. Our outstanding hockey team succeeded in winning second place in the district league; therefore, they had the honor of participating in the playoffs at Providence. For the first time in the history of Wilbur Cross, the basketball team won the district, state, and New England championships with a record of 24 wins and no losses. The playoffs were held in Boston and many of the students attended these exciting games. Our team demonstrated extraordinary skill and great sportsmanship. The excitement and joy of Boston will long be remembered by those who made the trip.

The Junior prom, the biggest social event of our high school year, finally arrived,

and culminated an enjoyable year. We danced to the strains of Sayonara, the theme of our prom, at the New Haven Lawn Club.

We not only said Sayonara to our junior year but also to our old school as well. Next September we would be entering the new Wilbur Cross.

SENIOR HISTORY

We had finally made it! We were now the proud seniors of a new and beautiful high school, the first graduating class of the new Wilbur Cross. The finding of rooms, the confusion in the halls, and the new teachers all reminded us of our sophomore year. We knew that this year would be our most memorable one.

The first social event of our senior year was the Fall Frolic Dance sponsored by the senior class. Our new library, which was the scene of the dance, was gaily decorated in festive fall splendor. The dance was a big success, and everyone enjoyed the evening. The high light of the dance was the announcement of the senior election results. The victorious candidates were: Mike Nasti, President; Bobby Esposito, Vice-President; Patty Egan, Secretary; Janice Lorenzo, Treasurer; Tom Daly, Prom Chairman.

Following the Fall Frolic, our class sponsored a hayride. Even though it rained, everyone had a marvelous time.

The highlight of the fall season was the annual Harvest Festival. This year the festivities were scheduled for the Thanksgiving weekend. We were proud to choose two of our own classmates, Diana DeVita and Donald Sorcinelli, to reign as our Harvest Festival Queen and King. The royal pair were attended by the princesses Barbara Donnarummo, Pat Riley, Barbara Damutz, and Jean Morris, and the princes Frank Toro, Dom Perno, Bill Hulteen, and Ralph Caparulo.

During the half-time of the football game, the cheerleaders, band, and majorettes put on a splendid performance. They made spectacular formations symbolizing the Thanksgiving spirit. At Bowen Field, the air was filled with a feeling of tense excitement as the crowd cheered the teams, Cross and Hillhouse, through the valiant struggle. True sportsmanship was displayed by both teams during the scoreless game.

These events were climaxed by the gala Harvest Festival Ball which was held two days after the football game at the Goffe Street Armory. The evening was a wonderful one as the couples danced for hours to the beautiful music. We all left the dance with lasting memories of that wonderful Thanksgiving weekend of the Harvest Festival.

The Sophomore Executive Board and the Wilbur Cross News Staff sponsored a toy drive which brightened the Christmas of the children in several orphanages.

The Student Council sponsored the Jingle Bell Hop which was held after the Cross-Bridgeport Central basketball game. Our victorious basketball team were the guests of honor.

The senior class adopted a Korean child. The Save the Children Federation presented the senior class of Wilbur Cross with a certificate given "in grateful recognition of the kindness and generosity to needy children in underprivileged and disaster areas in the United States and in countries overseas."

Valentine's Day was just around the corner. Senior preparations for the Sweetheart Silhouette's Dance were in full swing. The dance was held in our new school gym. Couples danced in a setting of colorful cupids and hearts.

Miss Barbara Damutz was chosen as Girl of the Year by the student body and received the Daughters of the American Revolution award during the Class Day program.

The end of the winter sports season found our basketball and hockey teams again victorious, bringing many honors to our school.

Time flies! Before we knew it, plans for our graduation program were being made.

The biggest social event of our senior year was under way, the senior prom. The prom was held in the Wilbur Cross Chateau, in an atmosphere of "Nuit à Paris." As the doorman led us into the chateau, we entered into the glamour of a "Night in Paris."

We ended the Class Day and Graduation Night Exercises with mixed feelings of joy and sadness.

After the Senior Prom, Class Day, and Graduation Exercises our senior year was climaxed by the class picnic and the Graduation Dance.

Yes, our high school years were terminated. We were standing on the threshold of an unknown future.

As we look back, our thoughts will always return to our happy and memorable years at Wilbur Cross High School.

"Let's go Cross High!" This well-known cry of the crowd was initiated by the vivacious cheerleaders for the past two years at all the Cross games. Pep, zest, and enthusiasm are words which suitably describe our cheerleaders. They have cheered our football, hockey, and basketball teams on to victory many times during their years at Cross.

The squad, led by Captain Dolores Citerella and co-captain Jean Morris, has displayed boundless energy in boosting and maintaining school spirit. Not only have the cheerleaders participated in athletic activities, but they have also contributed their time by collecting for the Heart Fund, the March of Dimes, and the Cancer Drive. They also served as hostesses at the Wilbur Cross Fathers' Club and helped entertain the group.

The entire squad has been under the excellent supervision of Miss Mary Benevento and Mrs. John Bliznick.

FOOTBALL – 1958

The football team, under the leadership of coach Horace Marone and Co-Captains Edward Gill and Richard Abbatiello did a wonderful job this season. Their spirit of good sportsmanship never faltered.

Our best game of the season was played the day we beat Hamden by a score of 18-6.

Richard Abbatiello was named to the second ALL-STATE TEAM, Edward Gill received the Savitt Award, Mike Nasti was chosen Register's player of the Week for his outstanding contribution in the Hamden game.

We wish Joe Cellotto, the newly elected captain for next year, the best of luck. May his team keep up the good work.

SOCCER

SOCCER COACH AND CO-CAPTAINS
Left to right: Coach Anthony F. DeNegre, Co-captains Mike Mauriello, Ralph Caparulo.

This year, the Wilbur L. Cross Soccer Team welcomed a new coach, Mr. Anthony DeNegre, a graduate of Fordham and Arnold. After graduation, Mr. DeNegre,.was assistant swimming instructor and Physical Education Instructor at Yale University. He then continued to teach Physical Education at Troop Junior High School. At Cross, Mr. DeNegre is our pool director, assistant track coach, and coach of our soccer team.

CROSS 0 — HOPKINS 2

Under the successful direction of Mr. DeNegre, our Soccer Team faced Hopkins High School as our first opponent. During the entire three periods we held Hopkins scoreless. In the fourth period, with four minutes remaining, they scored their first goal and then a second.

CROSS 1 — NEW HAVEN COLLEGE 1

With our second opponent New Haven College, we were more successful. During the game, however Ralph Caparulo, our captain was seriously injured and required hospital treatment. Later in the game however, New Haven scored a goal when the ball bounced off the goal post and went over to score.

CROSS 0 — HILLHOUSE 1

Hillhouse, our arch-rivals, were lucky in overpowering us with a lucky goal. Although we fought hard to win, our attempts were without reward.

CROSS 2 — AMITY 0

The next game with Amity will be the one to remember. After seven years of struggling for a win, we finally beat Amity Regional, 2-0.

CROSS 4 — AMITY 0

When Amity challenged us again a second time, we defeated them 4-0.

CROSS 4 — ELI-WHITNEY 0

After our success with Amity, we continued with our win over Eli-Whitney, but they were not to be outdone they returned to beat us 1-0 in a game which followed a week later.

CROSS 0 — MILFORD PREP 4

Milford Prep, in the opinion of Mr. DeNegre and the team, was the highest rated team played. Cross tried diligently to score, but their attempts were fruitless. But Cross still had another chance; they played Milford in another week.

CROSS 1 — MILFORD PREP 3

Our attempts in the second game were more rewarding. We held Prep during the first period; in the second, it was a battle for possession. The next was the period for scoring. Milford scored 3 and Cross 1.

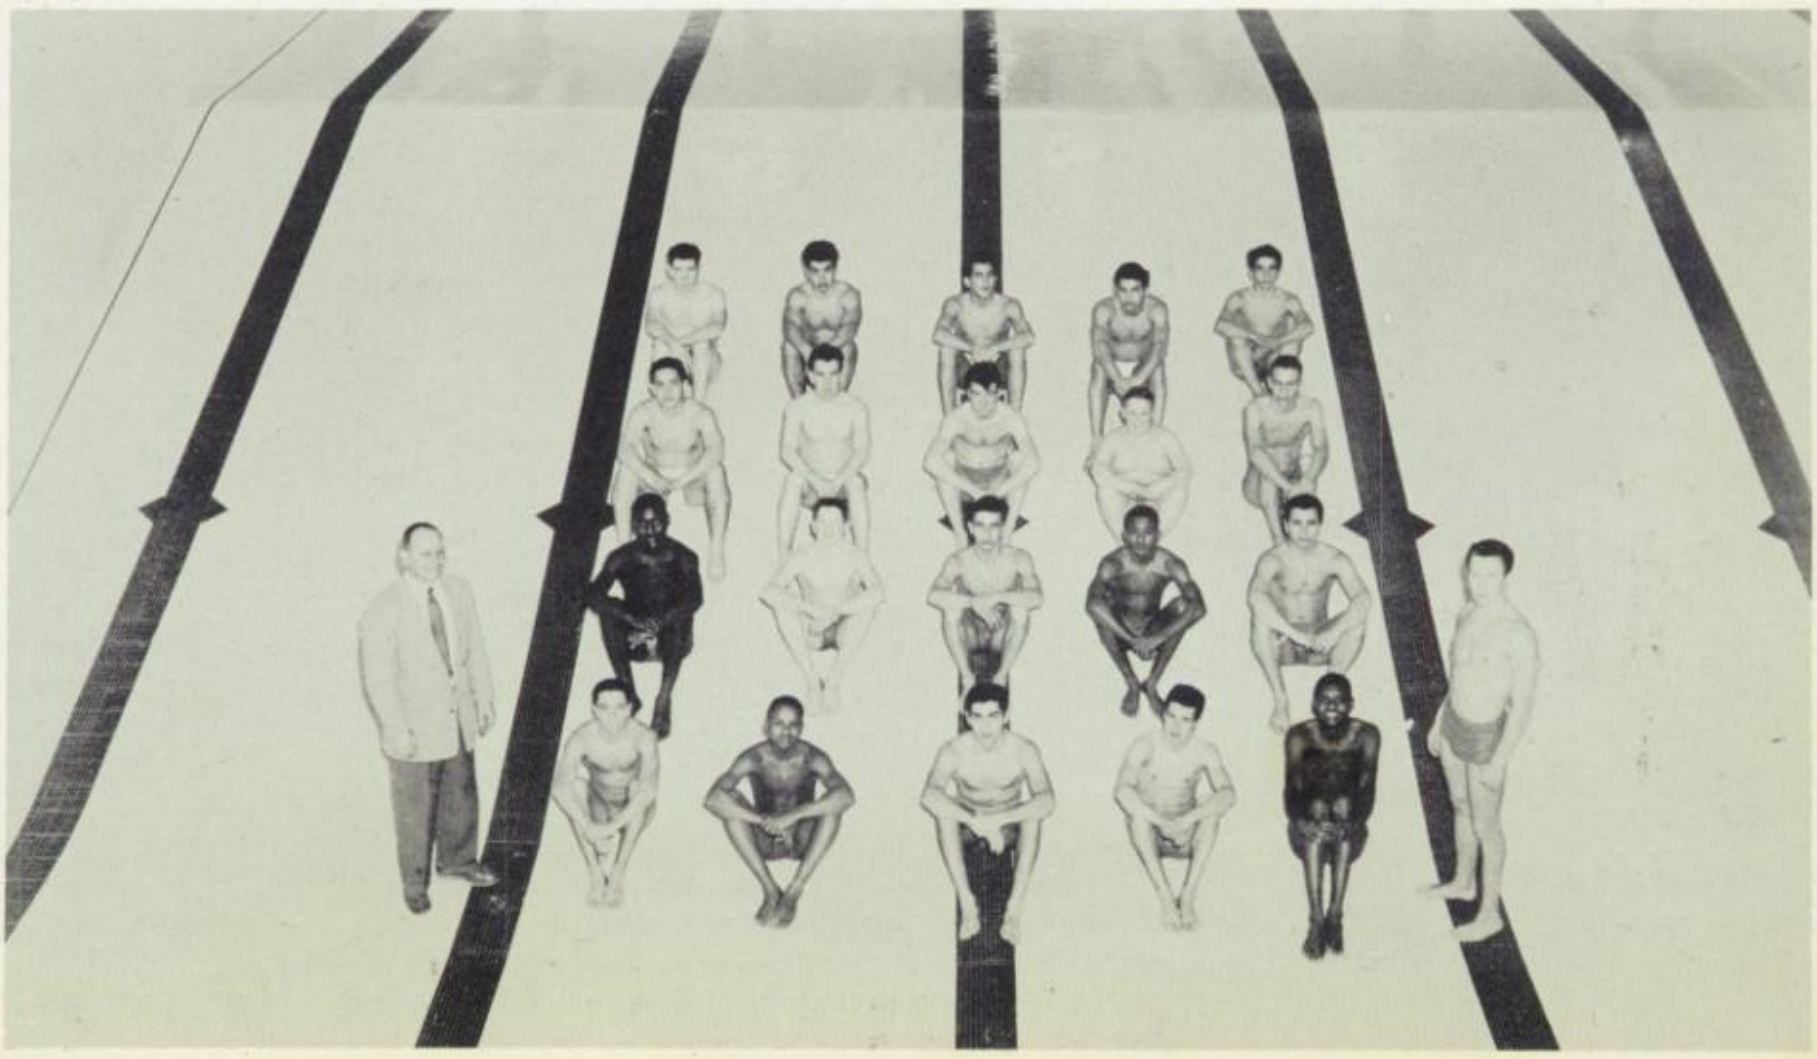
The fourth period went along smoothly with both teams playing hard, but with neither team scoring.

Third row, left to right: J. Rist, M. Garrieta, W. DeRosa, J. Templeton, D. Marino, G. Cuvington.
Second row: F. Kasprzycki, M. Poindexter, R. Savino, J. Bassetti, J. O'Neil, M. Greco, N. Thomas, Mr. Colucci.
First row: J. Solecki, D. Stickney, R. Cretella, A. Rocco, J. Meehan, R. Russell.

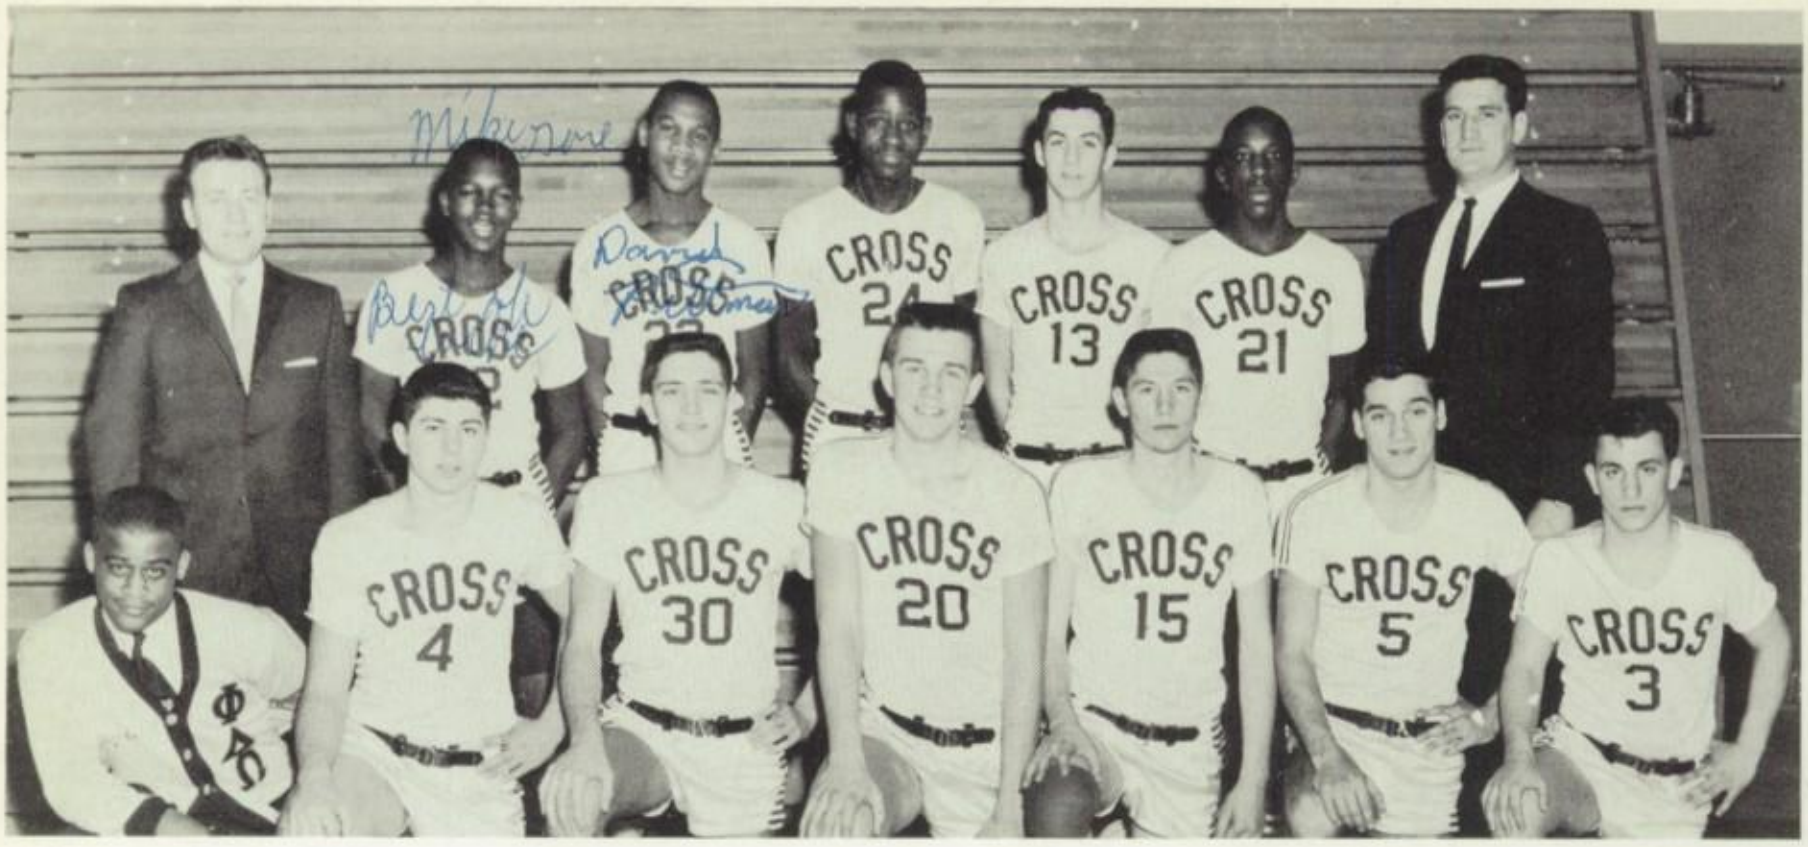
SWIMMING

Our swimming team was made up of sophomores and juniors and boasted of three seniors. The backbone of the team was the Captain Florian Kasprzycki, an outstanding diver, freestyler, and backstoker. Kasprzycki broke the previous four-year-old school's diving record of 43.0 by 16.5 points, a tremendous achievement. The other two seniors were Nelson Keeler, distinguished on the freestyle and relay, and Jerrold Solecki. Some juniors of note were John Bassetti, Jim Templeton, Tim Deveou, and Al Roucco. This year the team was headed by Coach Lou Colucci.

The best of luck to next year's team headed by Co-Captains Jim Templeton and Al Roucco.



BASKETBALL – 1959



Second row, left to right: J. Friello, Jayvee Coach; M. Gore, D. Pittman, D. Hicks, R. Melotto, L. Harper, S. Verderame, Head Coach.

First row: E. Lumpkin, M. Nasti, D. Sorcinelli, B. Hulteen, D. Perno, A. Proto, R. Esposito.

Coach Red Verderame and his club had another remarkable year. The team, sparked throughout the season by Captain Dom Perno, Bill Hulteen, Bobby Melloto, Don Sorcinelli, and Dave Hicks, showed its ability and team effort in defeating the opposition. During the season, Dave Hicks, a 6'4" sophomore, not only demonstrated his fantastic ability at the boards, but also made many tremendous shots from the floor. He will be a key asset to the Governors in the years to come.

One of the most exciting games of Cross's undefeated regular season was played against Hillhouse in the Payne Whitney Gym. Cross won the game (50-46) before a turn away crowd of over 3,000.

On Friday, January 16 Cross played its first game in the new school gym and won by crushing Hamden (80-47). It was one of the team's "hottest" shooting nights of the current season.

The ball-hawking Governors broke Crosby's old record of 40 straight wins when they outplayed Fairfield Prep. It was the Governors 41 victory in a row, including 24 last year.

The second Cross-Hillhouse game drew 5,421 fans at the Arena for a regular season attendance record. Don Sorcinelli playing one of the finest games of his career, helped his teammates to win the game (62-42). At this game Don was awarded the James E. Coogan Trophy for his fine playing.

In the C.I.A.C. Tournament, Cross defeated Norwich (67-57), Hartford Public (58-52), Hartford Bulkeley (71-56), and Hillhouse (55-53) to again win the State Championship.

The win over Bulkeley assured the Governors of a trip to Boston to play in the New England Tournament.

HOCKEY

At the annual Hockey Jamboree our Hockey team opened the season with a score of four victories. The team, realizing its potentiality, again emerged victoriously over all other teams played, bowing only to Hamden.

Under the expert coaching of John "Red" McDonough, the team earned itself a berth in the New England Hockey Tournament at Providence, which takes place on March the nineteenth. At that time, our able captain, John "Cricket" Cannon, will lead the Governors in their hopes for victory.

Outstanding players are Bobby Ralston, Al Spardaro, Kenny Marland, and Bobby Dukalskis backed up by our goalie, Thomas Iezzi.
